General Comment

aS A RETIRED CITIZEN WHO IS DEPENDANT UPON HIS IRA for income supplemental to social security I am concerned by the possibility that your organization is considering regulations which I consider detrimental to getting the additional financial effect of options trading now available to me in my IRA.I have been trading almost all forms of options for over 30 yrs. I do not find options trading dangerous.In effect it has been very beneficial ,especially in this present volatile market.I emlore you not to take options trading in my IRA away from me. Thank you for your consideration of my appeal. Sincerely, Frank C. Toepp, 50710 Carrington Place Ct., So. Bend, In.
